**Q. 26. How is original sin conveyed from our first parents unto their posterity?**

A. Original sin is conveyed from our first parents unto their posterity by natural generation, so as all that proceed from them in that way are conceived and born in sin.

**Q. 27. What misery did the fall bring upon mankind?**

A. The fall brought upon mankind the loss of communion with God, his displeasure and curse; so as we are by nature children of wrath, bond slaves to Satan, and justly liable to all punishments in this world, and that which is to come.
