Q. 17. How did God create man?

A. After God had made all other creatures,
he created man male and female;
formed the body of the man of the dust of the ground,
and the woman of the rib of the man,
endued them with living, reasonable, and immortal souls;
made them after his own image,
in knowledge, righteousness, and holiness;
having the law of God written in their hearts, and power to fulfil it,
with dominion over the creatures;
yet subject to fall.
